

C.C.C. UPDATE - MARCH 2018 (2)

Season Opening

I am very happy to say that after much work in recent weeks all three lawns are ready for the beginning of the season. Particular thanks must go to Peter Cutting and Bob Cash for laying out the lawns and hoop holes etc. whenever they could find some dry weather this week. Many thanks to them both.

Some words of caution - The recent rain has meant that the lawns are still quite soft so extra care needs to be taken not to dig into the surface either whilst taking a shot or leaning on mallets during play.

Also, please take care when removing hoops that you do not lift the surrounding turf. This can be achieved by removing them slowly and holding down the surrounding turf with your foot.

Thank you also to all those who came up to spruce up the entire site – trimming back overgrown hedges, pruning shrubs and spring cleaning the clubhouse and toilets. Without your help our club would not be so attractive and welcoming.

Membership Fees

A reminder that these are due by 1st April. If you have not yet paid yours it can be brought up to club on Saturday or Sunday or, indeed, any other club day! The same applies to your entries to club competitions. And, if you have not yet considered entering any of the club competitions, please have another think and join in. These are internal competitions and very enjoyable events.

League Matches

The lists for the various league competitions we enter are now on the club noticeboard. If you are able to join one, or even more, of these teams please do sign up. You need not necessarily have to be available for every match, so don't let that hold you back. The team captains/managers will be able to give you any more information you need.

Recruitment

Sadly we are losing several of our members this year either through illness or moving from the area. We need, therefore, to recruit some new members to keep the club active and viable. Felicity has designed some posters and flyers to help gain more members and it would be helpful if you could take some and have them posted wherever possible. Please indicate where you will be putting them on the list in the clubhouse to avoid duplication.

All for now, see you on the lawns
